

MASHAM NEIGHBOURHOOD PLAN

VISION STATEMENT

By 2035 Masham Parish will have conserved and enhanced its distinctive rural and historic identity and will be meeting the needs of its community for housing, businesses, services/infrastructure and facilities. Steps will also have been taken to protect the natural environment of the area, and tackle the impacts of climate change.

This revised 'Vision' was produced by the Steering Group and was approved by the Parish Council at its meeting held in January 2023. The 'Vision' will continue to be under review during the process of creating the Masham Neighbourhood Plan to ensure that it reflects the wishes of the community.
